A service for kids and teens ages 9-18. Readers can sign up to receive a free one-month subscription to our new Library Book Box service! Subscribers will enjoy two library books selected by our librarians to check out plus fun extras for you to keep. Sign up begins the first day of each month to receive the next month's box.

Registration will remain open until all spaces are filled. Space is limited.

How it works

- Sign up each month starting the first week of the month to receive a Book Box the following month.
- Select your box type, Teen Box (Ages 13-18) or Tween Book Box (Ages 9-12), and fill out the form. 7th graders may sign up for the Teen Box regardless of age.
- Your form goes to our librarians who will select 2 books for you based upon your answers.
- Selected books will go into a box containing fun prizes for you to keep.
- Pick up your box the first of the month. The books & Box will be checked out to your Library Card and will need to be returned by their due dates. You keep your prizes!
- Return the empty box to the Library's Information desk afterwards (before the end of the month)
