

Craft Night: Sample Plan

Fabric Sunflower

All-Materials-Provided Crafting Experience

Projected Outcomes:

- Reduce social isolation
- Strengthen community through shared experiences
- Foster opportunities for creative exploration
- Build confidence and skills

Program Prep:

- ☐ Fabric sunflowers is a project that meets all criteria for this program:
 - appeals to both beginners and advanced crafters
 - fits a 60-to-90-minute window, and
 - stays within a reasonable per-person material budget
- ☐ Source materials: yellow, gold and brown cotton fabric, green felt, quilt batting, mason jar canning lids, 3" wood circle, ribbon
- ☐ Pre-cut fabric and pre-cut leafs
- ☐ Create a finished sample to show
- ☐ Draft printed instructions and supply list for patrons to keep

Before the Program:

- ☐ Load cart with project-specific supplies as well as scissors, hot glue guns and extra glue sticks
- ☐ Print copies of instructions and supply list

Set-Up:

- ☐ Set room with classroom-style tables
- ☐ Lay out materials that crafters will access communally

During Program:

- ☐ Welcome crafters and show the finished sample
- ☐ Distribute supplies
- ☐ Show step-by-step demonstration
- ☐ Crafters work toward completing their own copy of the same project while collaborating to clarify instructions, troubleshoot steps together, and enjoy casual conversation

Post Program:

- ☐ Enter statistics
