

Advanced Search on EBSCO Interfaces - Guided Style

EBSCO research interfaces allow users to conduct advanced searches using Guided-Style Find fields. Guided-Style Find fields assist you in creating a more targeted search.

To use Advanced Search with Guided-Style Find Fields:

1. Click the **Advanced Search** link below the **Find** field.
2. Enter your search terms in the first **Find** field on the Advanced Search screen.

The screenshot shows the EBSCO Advanced Search interface. At the top, there are navigation links for 'New Search', 'Publications', 'Subject Terms', 'Cited References', and 'More'. The search bar contains the text 'global warming' and 'green energy'. Below the search bar, there are buttons for 'Search' and 'Clear'. The 'Select a Field (optional)' dropdown menu is open, showing options like 'SU Subject Terms', 'TX All Text', and 'Publication'. The 'Search Options' section is visible, including 'Search Modes and Expanders' and 'Limit your results'.

3. Choose a citation search field from the **Select a Field** drop-down list (for example, search in only the **Subject Terms** field of the citation).
4. Repeat steps 1 and 2 for the second set of **Find** fields.
5. Select a Boolean operator (AND, OR, NOT) to combine the two **Find** field entries.
6. You can enter another Boolean operator, keyword, and search field in the third set of fields.
7. If you need additional rows, click the **Plus button**

. Up to 12 rows can be displayed. To delete a row, click the **Minus button**

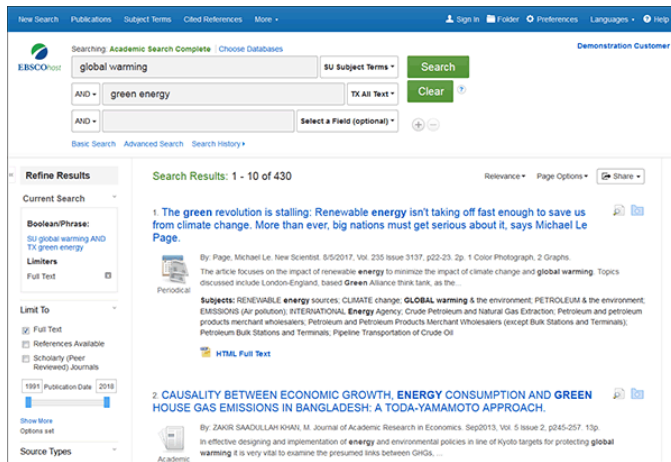

8. Select from the available Search Options:

- **Search modes** - Use specific [search modes](#), such as "Find all my search terms," or "SmartText Searching," or use search options that expand your search such as "Apply related words."
- **Limit your results** - Apply limiters such as **Full Text** or **Publication type**.
- **Special Limiters** - Apply limiters specific to a database. If you select a special limiter, it is applied only to the database under which it appears

9. Click the **Search** button. The Result List displays.

The search field is displayed above the Result List. Your search terms, limiters and expanders are retained. To revise your search, you can apply the limiters under **Limit To**. Click the **Show More** link to view all available limiters and expanders.
