

By completing the survey you will also be giving MLA valuable information to use when we speak to our legislators. The survey identifies priorities compiled from concerns that have been shared with us over the past few years. If there are other priorities that you believe MLA should address, please add them to the list. The survey results will be used by the MLA Advocacy and Legislative Committee to prioritize the 2022-2023 agenda and will address what you want us to work on in the coming year.

Please complete the survey by **Friday, August 12, 2022, at 11:59 PM**. The survey is quick and simple – it will take no more than 10 minutes to fill out and submit.

Thank you in advance for taking the time to share your opinions with us! Your perspective will help shape MLA's priorities for the coming year and beyond.
